Confirmation & Trip Information Packets

The trip leader will send the confirmation and information packet to the first name listed on the sign up form. If you wish to receive a separate confirmation and information packet, please use a separate form.

Rates for Children

Please call the trip leader for detailed children's rates for these trips.

Sign-up Sheets

SKIBACS trips are for SKIBACS members and their guests. If you are a guest of a SKIBACS member, you need to include their membership number on the form. **Every person who signs up for a trip must read the Disclaimer Statement and sign the "Ski Trip Sign-up" form found in this book.**

The Deposit amount for each trip is required for every person signing up.

Do not combine trip payments with any other moneys you may be submitting (membership dues, other events, etc.)

Write a separate check for each trip. Note the trip destination on the check. If you are paying for other people, be sure to identify each person.

The Trip information packet and confirmation will be sent only to the top name on the sign-up form.

Up to four people rooming together may use the same "Ski-Trip Sign-up" form. ALL parties must read and sign the Disclaimer!

Rooming

List all roommates who are sending in separate sign-up forms on the bottom of the "Ski Trip Sign-up" form, in the space provided. Remember, if you want separate rooms, use separate forms.

Trip Leaders will assign you roommates if you sign up alone, or in groups smaller than a roomful. It may not be possible to give you exactly what you ask for in terms of room occupancy. For instance, you sign up alone and ask to be in a room for four, but there are only two other people to put you with - you would end up in a room for three, and pay the "Three per room amount".

We cannot hold rooms. Be sure the people you are rooming with get their sign-up form in on time. Our policy is "First paid/First served".

Don't be bashful about signing up solo. We have many singles sign-up, and we're always looking for roommates. It's a great way to meet new friends.

Payments

Payments must be made on time! If you fail to do so, the first person on the waiting list that has paid in full will take your place and you will move to the bottom of the waiting list. When making payments for other people, be sure to note who they are and what trip the money is for. Do not make payments for multiple trips with a single check! Write a separate check for each trip.

Members/Non-members

In order to take advantage of the "member rate" you must be a member for the 2008-2009 season.

Remember – membership expires October 31. You will be considered a non-member for 2008/2009 trips unless you have joined/renewed your 2008/2009 membership by the time you sign-up for your trips. The non-member fee is \$25 per trip.

Cancellations

If you sign up for a trip and later must cancel, you will be charged \$50 (for preparing your check, canceling your reservation, finding a replacement, and the accounting involved) plus any non-refundable deposits made for accommodations, travel, lifts, etc.

Note: Airline tickets are issued specifically in your name. We cannot refund their costs after tickets are issued. Watch "Final Pay Dates", they usually preceded ticketing by a few days.

We suggest you buy trip insurance. We STRONGLY suggest you buy trip insurance for overseas or other, higher priced trips. Further information and sign-up forms will be available from trip leaders.

Refunds are made after SKIBACS receives the credit, usually after the trip is completed. We try to get refunds out quickly, but it can take a few weeks for travel agents to process the final accounting, which includes cancellation credits.

All cancellation requests must be in writing! Send them to the SKIBACS receptionist, at SKIBACS 4H-58. A courtesy call to the trip leader is appreciated. Refunds are issued only when a written cancellation is received within the appropriate time frame.

Cancellation requests received after the "Final Pay" dates that result in fewer people in a room will be charged for the difference in room configuration. We cannot ask the remaining people in a room for more money. However, we will make every effort to find a replacement.

Smoking

All SKIBACS trips are NON-SMOKING. Smoking is not allowed in rooms or on the bus!

Alcohol

Please be conservative about drinking on the bus. The Trip Leader has the authority to do whatever is necessary to make the trip pleasant for the bus passengers. This includes letting you find your own transportation midway to your destination.

Here's your chance to ski three different areas – with only two days' vacation!
Don't wait – sign up today!

You'll find steep open chutes to gladed gullies, some of the most diverse skiing amongst breathtaking vistas in the lower 48.

For **CROSS COUNTRY SKIERS:** Lone Mountain Ranch is home to the **number one Nordic trail system** in North America with over 65 km of XC ski trails (*or check out Rendezvous Trails in West Yellowstone*).

Big Sky's SNOWBOARDING facilities bring you world-class challenges no matter what your skill level.

MOONLIGHT BASIN: On the north face of Lone Mountain you can find long groomers, hidden powder glades, or wild chutes. 4150' vertical, 1900 skiable acres, 11,166' summit, 92 mapped trails (bowls, chutes & glades). 7 chair lifts including a high-speed 6-passenger lift, 3 quads & 1 triple. *[There's a FREE shuttle between Big Sky & Moonlight Basin. You can opt to shuttle back, or you can choose ski all the way back to our condos.]*

BRIDGER BOWL: "Gem of the northern Rockies". Powder so dry and billowy the locals long ago dubbed it "cold smoke". Terrain varies from easy-going, beginner slopes on the lower mountain, to ego-boosting cruiser glades mid-mountain, to the steep & deep of Bridger's famous Ridge. There's 8700' elevation, 2600' vertical. 7 lifts, 1500 skiable acres (10% extreme, 30% advanced, 35% intermediate, 25% beginner).

- **ITINERARY:** We leave Sea-Tac Airport Thur, March 26th at **12:05pm** on nonstop AS 2460, arriving Bozeman at **2:45pm**. Our bus will take us to Big Sky where we'll stay 4 nights at Big Horn Condos. We'll ski Big Sky two days (2-of-3 day pass), and Moonlight Basin one day (1-of-7 day pass). On the fourth day (**Mon**, March 30) we pack the bus and drive to Bridger Bowl, where we'll get in a half-day skiing before heading to the airport to catch the 3:20 pm AS 2328 flight back to Sea-Tac, arriving at 4:25 pm.

ACCOMMODATIONS: We'll be staying at **Big Horn Condominiums**, located across the street from Bear Back Poma lift and on the free shuttle route. Besides skiing, you can ride the tube park, go dog sledding, snowmobiling, guided snowshoeing, relax at the spa, try ice skating, view Saturday evening fireworks, go for a sleigh ride or enjoy après ski entertainment.

"It's not everyday you get to see a bighorn sheep or bull elk, but at Big Sky, it's a very frequent occurrence!"
