**Ski Trip Sign-Up Forms**
Sign-up forms for SKIBACS trips are available on the SKIBACS.org website. SKIBACS trips are for SKIBACS members and their guests. If you are a guest of a SKIBACS member, you need to include their membership name and number on the form. Every person who signs up for a trip must read the Disclaimer Statement and sign the "Ski Trip Sign-Up" form. Up to four people rooming together may use the same "Ski-Trip Sign-up" form. ALL members and guests must read and sign the Disclaimer!

**Confirmation & Trip Information Packets**
The trip leader will send the confirmation and information packet to the first name listed on the sign-up form, unless notified otherwise. Guests who would like their own individual packet should fill out a separate form and list their roommates on the bottom of the form.
**Payments**
Payments must be made on time! If you fail to do so, the first person on the waiting list, that has paid in full, will take your place and you will move to the bottom of the waiting list. When making payments for other people, be sure to note who they are and what trip the money is for. Do not make payments for multiple trips with a single check! Write a separate check for each trip.

**Members/Non-members**
In order to take advantage of the "member rate" you must be a member for the current season.

Prices quoted are for SKIBACS members, as a reminder SKIBACS annual membership expires September 30. The non-member fee is $25 per trip.

**Rooming**
List all roommates who are sending in separate sign-up forms on the bottom of the "Ski Trip Sign-Up" form, in the space provided.

Trip Leaders will assign you roommates if you sign up alone, or in groups smaller than a roomful, unless you are paying for single occupancy. It may not be possible to give you exactly what you ask for in terms of room occupancy. For instance, you sign up alone and ask to be in a room for four, but there are only two other people to put you with - you would end up in a room for three, and pay the "Three per room amount".

We cannot hold rooms. Be sure the people you are rooming with get their sign-up form in on time. Our policy is "First paid/First served".

Don't be bashful about signing up solo. We have many singles sign-up, and we're always looking for roommates. It's a great way to meet new friends.

**Trip Insurance**
We suggest you consider purchasing trip insurance, especially for overseas or other, higher priced trips. Further information and sign-up forms will be available from trip leaders.

**Special Requests**
If you have a special request for a particular trip, please don't hesitate to ask the trip leader. We do our best to provide the most comprehensive itinerary for all trips. However, we can't foresee every combination possible. Examples of special requests may include but are not limited to children's lift ticket discounts, ski lesson packages, breakfast options at your hotel or even different hotel room packages. We will do our best to accommodate your request.
Cancellations and Refunds
If you sign up for a trip and later must cancel, you will be charged $50 (for preparing your check, canceling your reservation, finding a replacement, and the accounting involved) plus you will forfeit any non-refundable deposits made for accommodations, travel, lifts, etc.

All cancellation requests must be in writing! Send them to the SKIBACS receptionist, at the SKIBACS address listed. A courtesy call to the trip leader is appreciated. Refunds are issued only when a written cancellation is received within the appropriate time frame indicated for each trip.

Cancellation requests received after the "Final Pay" dates that result in fewer people in a room will be charged for the difference in room configuration. We cannot ask the remaining people in a room for more money. However, we will make every effort to find a replacement.

Refunds are made after SKIBACS receives the credit, usually after the trip is completed. We try to get refunds out quickly, but it can take a few weeks for travel agents to process the final accounting, which includes cancellation credits.

Note: Airline tickets are issued specifically in your name. We cannot refund their costs after tickets are issued. Watch “Final Pay” dates, they usually precede ticketing by a few days.

Conduct
Trips sponsored by SKIBACS are intended to be enjoyed by everyone, whether on a bus, train, airplane, in the lodge or on the mountain. It is expected all members and guests behave in a manner that is respectful to others and that they will abide by the laws and regulations of the city, state or country which they are traveling through or residing.

Smoking
All SKIBACS trips are NON-SMOKING. Smoking is not allowed in rooms or on the bus!

Alcohol
Please be conservative about drinking on the bus. The Trip Leader has the authority to do whatever is necessary to make the trip pleasant for the bus passengers and driver. This includes letting you find your own transportation midway to your destination.
