

# Mt. Bachelor

February 3rd 2024 – February 7th 2024

**360 degrees of some of the best skiing in North America awaits!** This ski trip presented by SKIBACS, will have a base of operations in Bend, OR. Mt. Bachelor has a **skiable area of 4,323 acres & 3,365 vertical feet**. Mt Bachelor’s stand-alone geography has created a mountain that has 360 degrees of skiing from it’s peak. Within this playground of terrain lies some of the best tree skiing you’ll ever experience, an incredible amount of off-piste options, a world class terrain park, & maintained runs for all ability levels!

**Transportation:** Due to the distance of Mt. Bachelor to the nearest lodging accommodations (Bend, OR) and the continued high cost of Bus Charter to Bend and back, this trip will require participants to drive themselves. Please have a 4x4 or AWD vehicle capable of winter driving to and from the mountain. If you don’t have an appropriate vehicle or you wish to save money, a carpool/gas share list will be established. Have a rig and are willing to bring on some passengers? Carpool drivers (3 passenger minimum) will receive a \$50 reduction off of their trip package price & reduced gas costs. \*Carpool participants have a requirement to split gas costs among all those in the vehicle.

**Accommodations:** Within walking distance from downtown Bend, the **Campfire Hotel** is a 100-room boutique motor lodge with vintage camp-inspired decor and an inclusive environment. Featured amenities include: heated salt water pool, hot tub, 10-ft campfire pit, on site cocktail bar “The Canteen”, on site juice bar, property wide free Wi-Fi, grab and go breakfast options, & complimentary roasted coffee in the lobby.
